

Eumundi Street Art Trail

EXPERIENCE
EUMUNDI

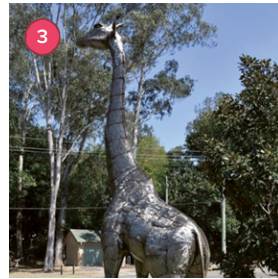

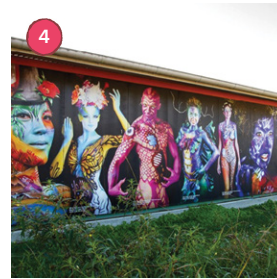

1. Sustainable – Behind the kids playground in Dick Caplick Park, you'll find a steele-like, totemic granite mural conceived to commemorate sustainability. Eumundi's history as a timber town was the inspiration for this sculpture.

2. Bin Art – Created by 12 artists from across Australia included Murphy Campbell, David Houghton, SkullCap, Fuzelliar, Greg Beasley, Silly Sully, Joel Birch, Liz Robins, Tomsen Art, BK DIECI, Mr Mupz, and RAAAN.

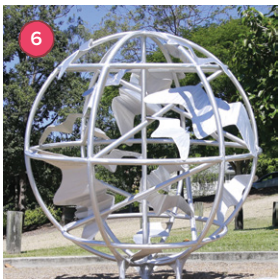

3. Giraffe – Our giant giraffe was made in Kenya and shipped to Australia to take pride of place outside Eumundi Square Markets (left corner). Pop in on Wed, Fri, or Sat for great stalls, live music, food, and drinks.

4. LisaSista Mural – A short wander will take you to the main market's carpark. Here you will find a large mural of the incredible Australian Body Art Festival.

5. 'For You' Sculpture – Created by local artist Meg Geer in 2018, this piece honors those who've lived through the horrors of war. "With the innocence of children," Meg says, "those of us who have lived peacefully offer our gratitude."

6. The Orb – Installed by Meg Geer and Richard Thompson in 2015 to commemorate 'The Anzac Spirit – yesterday, today, tomorrow'.

7. Tree Spirit – Behind the pretty Eumundi Museum and home to a hive of Australian native stingless bees! Pop into the museum to learn about Eumundi's fascinating past.

8. Eumundi Pavilion Mural – Painted in November 2023 by talented local street artist Sarah Sculley, specialist in personalised large-scale colourful transformative art.
